

# PARK AVENUE TOWER, PANAMA

*Costa Del Este, the newest residential area in Panama City, is fast becoming the ideal place in which to invest and enjoy high returns*

Safe, affordable, with a perfect tropical climate and the US Dollar as its local currency, Panama is an ideal country for investment, retirement or simply for enjoying life. Panama's stable economy makes it a truly attractive venue for business. The Park Avenue Tower, a development owned by the group, is located in Costa del Este - the newest residential area in

Panama City with upscale housing developments. The neighborhood includes schools, shopping centers, banks, an oceanfront boulevard and a central park.

With a majestic exterior and interior design, this 57-story, 135-apartment tower designed by Mallol & Mallol Architects, will welcome its residents with a flourishing garden on the ground level leading into a triple-

high-ceiling lobby. Residents will enjoy amazing views of the sea, the park and the city, from the range of apartments planned in the tower.

Park Avenue Tower will offer all the amenities needed to enjoy a unique, high-quality lifestyle, including a 3000sqm social area, swimming pools, and a meditation garden on the rooftop.
